## Reena Chidrala

**Phone**: 9028357410
**Email**: chidralareena8@gmail.com
**LinkedIn**:  https://www.linkedin.com/in/reena-chidrala
**Github**: https://github.com/ReenaChidrala

## Summary

Passionate Front-End Developer skilled in **React.js, JavaScript, HTML, CSS, and Java**. Experienced in building easy-to-use and responsive web. Works well with teams, solves problems efficiently, and focuses on good design practices. Always eager to learn new things and contribute to open-source projects.

## Technical Skills

- Programming Languages: JavaScript, Java
- Frontend Technologies: HTML, CSS, ReactJS, NextJS
- Version Control: Git, GitHub
- Development Tools: VS Code, Chrome DevTools
- Soft Skills: Team Collaboration, Problem-Solving, Communication

## Projects

**Project Name**: GitHub User Explorer

- Optimized API requests for faster loading and smooth interaction.
- Fetched and displayed a list of GitHub users on the left panel using the GitHub API.
- Implemented dynamic user selection, displaying user details (name, bio, repositories, followers, etc.) on the right panel when clicked.
- *Tech Stack:* React.js, HTML5, CSS3, JavaScript
- *GitHub Repository:* GitHub User Explorer

**Project Name**: Ecommerce Website

- Built a responsive e-commerce website using React.js, ensuring scalability with reusable components.
- Integrated a fake API to dynamically fetch and display product data.
- Applied responsive design principles for seamless compatibility across devices.
- *Tech Stack:* React.js, HTML, CSS, JavaScript
- *GitHub Repository:* E-Commerce Web App

**Open source contribution**
- **React Smart Utils** Created a utility library for React applications featuring reusable components and hooks to streamline development userpreviousHook , useLocalstorageHook **Hacktoberfest Contributor** |Open-Source Contributor | Participated in Hacktoberfest, contributing to open-source projects and building collaborative coding skills.

## Education

**Degree**: Bachelor of Science in Information Technology (BSc IT)
**College**: BNN College, Thane/Maharashtra
**Graduation Year**: 2026

## Certifications

- Front-end Development and Java Certification
